

3rd
LAPPS Annual
Congress

September 10-13, 2025
Santiago ■ Chile

**SPONSORSHIP
BROCHURE**

Dear Friends and Colleagues

After the incredible success of the 2nd Congress of the Latin American Pain Society (LAPS) in Mexico City, Mexico, we are thrilled to announce the dates of the **3rd congress to be held in Santiago, Chile on September 10-13, 2025**.

LAPS is committed to putting all resources to bring brilliant minds and academic leaders together on a common platform and unitedly work to raise the bar to offer the best pain care to our cancer and noncancer patients.

The LAPS Congress is offering a comprehensive scientific program to provide cutting-edge information on advanced interventional techniques, spinal and peripheral neuromodulation therapies, and minimally invasive spinal procedures, including intradiscal procedure, radiofrequency ablation, intrathecal drug therapies, advanced regenerative medicine and emerging novel interventional techniques, diseasemodifying therapies, scientific research abstract presentations, and much more!

The LAPS congress presents outstanding, world renowned experts in pain management to share their knowledge and present the opportunity to interact with peers.

We welcome our industry and pharmaceutical partners to showcase cutting-edge advances and state of the art technologies on the common platform to present the latest research and implications for better patient care. Industry partners and technical exhibits are integral for the success of the LAPS Congress. The collaboration between industries and healthcare providers is the key to continue improving the care to our patients. We anticipate in excess of 1200 clinical providers specializing in pain management from all over the Latin America and beyond. To ensure your chances of securing exhibit space and support opportunities, please review the enclosed prospectus materials carefully and send completed applications to Sandra Vamos (vamos@congressline.com).

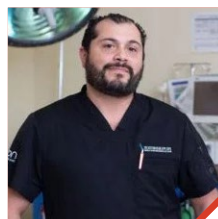

On behalf of the Executive Board of LAPS, we thank you for your continued support, and excited to invite you to join us at Third LAPS Congress in Santiago, to accomplish our common mission of "Education Beyond the Borders" and raising the bar in Latin America.
